“THE LISTENING POST”

**THE
WOMEN'S AUXILIARY
of the
FORT LAUDERDALE
ORAL SCHOOL**

Our November meeting was a small one as the holidays seem to make one extra busy. After meeting, we looked over "Tupperware" and Patty Walker told us what each item was used for. Never realized household storage items could be so interesting. The Auxiliary realized \$25.00 profit from orders taken. President Dorothy Ramsauer has catalogs and anyone may look it over and order and we will still make a profit.

Open House at Oral School end of November was such a success. Many who had never been there before were amazed at the accomplishments of these bright, happy and intelligent young people. Julie, the girl who showed me around, had a fine sense of humor and even remarked she was the unlucky one this semester because she got the bottom bunk to sleep on! At the end of each dormitory hall there was a "social room" consisting of easy chairs, lamps, sofa and a TV set. Please bear this in mind, members, when you are discarding such items. Mrs. Rose told me these wear out so quickly because of much use. Dorothy Ramsauer was in charge of the punch bowl and every so often we had to remind her she was still recuperating from her recent operation -- only then would she hand the duties over to someone else. Host and hostess list included Jane Ritchey, Kay Greep, Mr. and Mrs. Chas. Cooper and Mr. and Mrs. E. F. Wonderlic.

"Snowflake Ball" in December was very successful. Many of our members and friends donated money, orchestra, decorations, etc. that helped the net profit greatly!

By this time you have received a letter concerning the Haft-Gaines exhibition of new homes. ONE BIG CHANGE has been made -- the date has been postponed until February 18th. REMEMBER, it is NOT the 4th.

Membership tea is January 16th at Mrs. E. F. Wonderlic, 3240 N. E. 56th Court, the "Landings" .. Please bring your friends. Event begins at 10 A.M.

Lillianne Fine and Eileen Callan, her co-chairman, are working diligently on our "Woman and Her World" fashion show to be given March 14th at the Sheraton Hotel. Door prizes, chances, etc. Will give you more details on this next month.

Another "Thank You" to Mr. E. F. Wonderlic who donated the printing and mailing of our yearbook.

On January 5th the Beaux Arts Promenade unveiled 40 booths and exhibitions at Pompano Harness Track. The weather was not the best but that did not discourage the crowds. The Auxiliary booth had Bob Jenny, a well known artist, cutting silhouettes. Mr. Jenny also donated an oil painting of his. The frame was donated by Gorden Thernell of the "FINISHING TOUCH", Beacon Light Shopping Center, Pompano Beach. At \$1.00 a chance, the seascape was won by Mr. and Mrs. Harry Washell from Pompano Beach. Audrey Grady, Donna Faulhaber and Janet Newberry report that by the end of the evening they even sold the huge helium balloons that had been used to attract attention to the booth. Nothing left but soggy old crepe paper streamers!!!

Time to thank our many friends who have contributed to the school this year. Through a member Mr. Jos. Oscola has become known to the Oral School. Mr. Oscola is in the fruit and produce business and the last few months has showered the kitchen dept. with bushels of good food. So grateful for his generosity.

Meeting Jan. 22 at "Dee" Yanilos home, 10 Minnetonka Rd., Sea Ranch Lakes. See you then.
